Florida Veteran's New ID Card 2023

New Plastic ID Card

FDVA Veteran's ID Card

The Florida Department of Veterans' Affairs (FDVA) has rolled out a new Veteran ID Card for veterans who are 100% permanent and totally disabled and reside in Florida. The ID not only provides basic veteran information, but also provides critical phone numbers for veterans in crisis, and contact information to file a claim or receive benefits assistance. Veterans can go to their nearest FDVA service office supported by a supervisor, to receive assistance with obtaining the ID card.

FDVA

If We Hold The POA

If FDVA holds the veteran's power of attorney, the FDVA Supervisor will require:

a. the veteran's SSN to verify 100% permanent and total disability

b. the veteran's Florida driver license or ID for address verification

FDVA

If We Do Not Hold POA

If FDVA does not hold the veteran's power of attorney, the FDVA Supervisor will require:

a. the veteran to bring a copy of their VA rating decision

b. the veteran's Florida driver license or ID for address verification

FDVA

If We Don't Have Anything

In the event the veteran is unable to meet with a FDVA Supervisor in person, they can request the ID card via email by providing their SSN, a copy of their VA rating decision, a copy of their Florida driver license, and a photo directly to james.angles@fdva.fl.gov. If no documents are provided to support the ID request, FDVA will request verification from the VA, thus delaying issuance of the ID card. For a list of FDVA offices and phone numbers, please go to www.floridavets.org and click the Locations button at the top, and then click Claim Examiner Sites on the left.

If You Have An Older Card

Present the old card and we will issue a new card. We may ask for additional information for verification purposes.
